Introduction

Our Code of Conduct, combined with our rules of corporate governance and our policies, provide the

framework for our corporate operations. It is in line with ISO 26000 and the 10 principles of the UN Global

Compact, which aims to align businesses with human rights, labour, environmental care and anti-corruption

principles. The principles of our Code of Conduct are based on the OECD guideline for multinational

enterprises.

Our Code of Conduct contains fundamental principles, rules and core values which form the framework for our

corporate actions. This set of standards describes the behaviour we expect of our people, as well as the way we

conduct our business with our partners and third parties.

CORINTH PIPEWORKS S.A. conducts its business in a framework of relevant laws, regulations and internal

policies. However, we recognize that this may not govern all behaviour. We feel it is important for all our

customers, suppliers and our own people, as well as other stakeholders, to understand exactly what we stand

for and how they can expect us to conduct ourselves.

The combination of our Code of Business Conduct and Corporate Principles

provide an excellent foundation for creating the trust that plays a key role in our

sustainable business success.

Objective

To establish a Code of Conduct that further promotes ethics, honesty, transparency and professionalism

throughout our Company. We adhere to our Code of Conduct with all stakeholders as well as local and

international commitments and law.

Scope

The Code of Conduct and its related procedures & measures are applicable to all employees, senior executives,

officers and directors of CORINTH PIPEWORKS S.A. and its subsidiaries.

We also encourage subcontractors, suppliers, sales agents, consultants and other business partners to respect

the Global Compact principles as well as to adopt the principles included in our Code of Conduct.

1. Our Business Principles

Integrity - Corporate Citizenship

We respect local and international commitments, law and regulations and act with a high sense of ethics. We acknowledge our obligation to operate safely, protect the environment and support local communities. We

invest and actively contribute to the well-being of people, whether they are inside or outside the Company.

Commitment

We are proud and take personal responsibility to deliver results of high standards, while building long term

relationships with our customers and suppliers. We focus on health & safety and we provide a working

environment that empowers our people to be productive, result-oriented as well as manage their personal

development with passion and integrity.

Focus on Results

We focus on delivering results of high standards to our customers in an efficient and reliable way. We are

decisive and adopt a can-do attitude in order to maximize productivity and business excellence while

simultaneously maximizing shareholders' value.

Technological Leadership & Innovation

We believe in technical expertise in order to constantly deliver high quality and value-added solutions. We

develop a learning environment, invest in R&D, technological advancement and state-of-the-art equipment and

know-how while promoting innovative thinking, keeping the Company ahead of the competition.

Team Work

We feel proud by being cooperative and working collaboratively, thus supporting each other towards common

goals, whether one is a team member or a team leader. We choose to be part of a team and to solicit and

utilize the skills, ideas and opinions of all team members. We act in favour of the Company and feel collectively

responsible.

Meritocracy

We act with fairness and transparency in all our relationships. We acknowledge people's personality and skills

and place them where they can best contribute and be recognized. We focus on saying and doing things with

consistency and integrity.

2. Integrity and Ethical Standards

CORINTH PIPEWORKS S.A. is committed to integrity. We conduct business with integrity and believe our

business growth and success should rest on the excellence of our products and services. Bribery or any other

type of corrupt practices are absolutely prohibited throughout our operations. We cannot tolerate corruption,

money laundering, bribery or other illegal or unethical business activity. Our performance and competitiveness

are strengthened solely through lawful conduct.

Gifts, Invitations, and Other Gratuities

When it comes to gratuities in the form of gifts or invitations, we strictly ensure that no appearance of

dishonesty or incorrect behaviour can arise. We do not tolerate gratuities that can raise doubt about our

integrity or appear to influence business decisions.

Sponsorships & Donations

In line with our corporate social responsibility, we make sponsorships and donations to promote education,

culture, social or humanitarian causes, sports and environmental friendly behaviour.

Ban on Corruption

Corruption is banned by international conventions, national laws, and internal guidelines. In compliance with

the anti-corruption and anti-bribery law of the countries where it operates, CORINTH PIPEWORKS S.A. does not

tolerate any form of bribery among employees, business partners or any business practice that could create

the impression of improper influence.

Money Laundering

We do not tolerate money laundering or illicit finance and comply with all relevant laws and regulations in

every jurisdiction where we conduct business. We undertake the international battle against money laundering

and adopt applicable measures to comply with the relevant provisions.

Fraud Prevention

We are determined to maintain a culture of honesty and opposition to fraud and corruption and, thus, we are

committed to set out the ways in which employees or other stakeholders can voice their concerns about

suspected fraud or corruption.

HEAD OFFICES: 2-4 Mesogeion Av., 115 27 Athens, Greece

CORPORATE HEADQUARTERS: 33, Amaroussiou-Halandriou Str., GR-15125 Maroussi, Athens, Greece,

Tel.: + 30 210 67 87 111, Fax: + 30 210 67 87 510

Register of S.A. of Ministry of Development Commercial Register: 1343 / 06 / B / 86 / 35

VAT Number: EL 094025610, Tax Office: Large Companies

Management has the primary responsibility for preventing, monitoring and rectifying fraud and potentially fraudulent behaviour and the Audit Committee has an oversight role over controls. Management establishes, implements and monitors the appropriate functions, mechanisms, policies, procedures and controls designed to assess, prevent and remediate fraud and fraudulent behaviour. Our divisions and departments are expected to implement the procedures and controls and report any misconceptions regarding their implementation and efficiency.

3. Legal Compliance

All employees, officers, directors and other persons acting on behalf of the Company are expected to comply with the laws, rules and governmental regulations that apply to its businesses and to adhere to the standards and restrictions they impose. All employees are personally responsible for upholding the law and adhering to internal guidelines in their working environment. Company's top priority is to respect statutory provisions and internal guidelines, as well as to ensure the resulting lawful and correct behaviour. In cases of conflict between law and the principles contained in this code, the law shall prevail.

4. Conflicts of Interest

Employees and members of the Board of Directors of the Company shall conduct their private and other external activities and financial interests in a manner that does not conflict or appear to conflict with the interests of CORINTH PIPEWORKS S.A.

Should such a conflict of interest arise, it must be reported immediately by the person subject to the conflict to his/her immediate supervisor. Moreover, all employees should disclose to a supervisor any relationship with persons or firms with whom CORINTH PIPEWORKS S.A. does business which might give rise to a conflict of interest. Such relations include a relationship by blood or marriage, partnership or investment.

5. Conduct toward Business Partners and Third Parties

The Company's dealings with its business partners are characterized by fairness.

CORINTH PIPEWORKS S.A. shall not offer customers, potential customers, governments, agencies of governments, or any representatives of such entities, any rewards or benefits in violation of either applicable laws or reasonable and generally accepted business practices. Company's employees must not accept payments, gifts, or other kinds of reimbursement from a third party that could affect or appear to affect their

objectivity in business decisions.

We also expect our business partners to adhere to the law, generally accepted standards of social

responsibility, and our basic principles of integrity.

6. Dealing with Information

Data Protection

In all business processes, we guarantee the protection of rights to privacy, in conformance with applicable law.

Any confidential information, trade secrets or other proprietary information about our companies, contracts,

projects, financial position, customers, suppliers and partners, must be treated as Confidential Information.

Such information shall not be disclosed to persons or organizations outside the Company nor disclosed to

employees without proper authority.

Our employees are required for the duration of their employment with CORINTH PIPEWORKS S.A. and after

termination of such employment not to disclose confidential information to any third party and to use the

utmost discretion when dealing with privileged information.

CORINTH PIPEWORKS S.A. is a publicly listed company and is therefore subject to specific regulations regarding

disclosure of information and insider trading.

Insider Information

Insider information is all non-public information that investors would consider significant to their investment

decisions. Such insider information must be treated with strict confidentiality. It must not be made available to

third parties. Acquiring or selling, or recommending the purchase or sale of securities based on insider

information is prohibited.

IT Security

The availability and integrity of our IT systems is fundamental. Personal and business-related data is protected

against unauthorized access, loss, or manipulation using all of the technical and organizational means available.

This is performed in consideration of applicable National law.

7. Protection of Company Property

Employees are required to handle Company property in a responsible manner and to protect CORINTH

PIPEWORKS S.A. assets against loss, damage, theft, abuse and unauthorized use. Employees are also required

to respect the physical and intangible assets of our business partners.

8. Fair Market Behaviour

We are committed to free enterprise and fair competition. Our competitive position is based solely on our

business success factors, especially our innovative strength, quality, efficiency, reliability and fairness.

Therefore, we must comply with antitrust laws when dealing with our competitors, business partners and

customers.

All our employees are obliged to comply with the requirements of antitrust and competition laws. CORINTH

PIPEWORKS S.A. bans any behaviour that is aimed at, or results in, the hindrance, restriction, or distortion of

free and fair competition.

9. Human Rights and Workplace Practices

We respect and support internationally recognized human rights. Within its sphere of influence, CORINTH

PIPEWORKS S.A. supports and respects the protection of internationally proclaimed human rights and ensures

that it is not complicit in human rights abuses. This includes the prevention of child and forced labor,

adherence to the principles of non-discrimination in the workplace, the right of freedom of association &

assembly and the right to collective bargaining.

Non-Discrimination

CORINTH PIPEWORKS S.A. hires, assesses and manages in a manner that does not discriminate with regard to

gender, race, religion, age, disability, sexual orientation, nationality, political opinion, union affiliation, social or

ethnic origin. Workplace diversity at all levels is encouraged.

Equality and Equal Opportunities

We do not tolerate any discrimination of race, gender, religion, age, nationality, social or ethnic origin,

disability, belief, sexual orientation, or political and trade union engagement. These principles apply to the

recruitment of new employees, to employees with an employment contract and to the professional promotion of our employees. The only decisive factors of employment are performance, experience, personality,

efficiency, skills and qualifications.

Forced or Child Labour

We reject any form of forced labour and child labour. All work performed in CORINTH PIPEWORKS S.A. must be

voluntary. No form of forced, compulsory or child labour is tolerated at CORINTH PIPEWORKS S.A.. The

minimum employment age is 18.

Harassment

We work together toward solutions that benefit our business and our stakeholders. Harassment (including all

forms of sexual harassment and harassment based on other legally protected categories), bullying, rude or

disrespectful behaviour and lewd comments are not allowed, and CORINTH PIPEWORKS S.A. prohibits any acts

or threats of violence while conducting business on or off Company property.

10. Occupational Health and Safety

CORINTH PIPEWORKS S.A. secures that all employees and business partners working at the Company's facilities

are provided with a healthy and safe working environment in accordance to internationally recognized

standards (OHSAS 18001). The Company controls hazards and takes all necessary precautionary measures

against accidents and occupational diseases. All workers are systematically provided with proper and regular

training to ensure that they are adequately educated on health and safety issues.

11. Environmental Protection

Our goals are to minimize environmental impact, continuously improve our environmental performance and

promote environmental responsibility in our culture. The Company takes a precautionary approach towards

environmental challenges by undertaking initiatives to promote greater environmental responsibility, by

encouraging the development and incorporation of environmentally friendly technologies. The Company acts

and is certified in accordance to internationally recognized environmental standards (ISO 14001). We routinely

audit, follow up and report on the Company's environmental performance, with particular emphasis on

evaluating the potential risks of existing and future products and operations.

12. Stakeholder Communications

CORINTH PIPEWORKS S.A. encourages an ongoing dialogue with its stakeholders. Our Company's long term profitability and sustainability is dependent on proactive and constructive dialogue with relevant stakeholders. We will openly display our rational in order to strengthen the dialogue with each stakeholder group and thus expect the same attitude from our stakeholders.

We are committed to a two-way and on-going communication with all our stakeholders in order to identify and record their needs and expectations. Development of mutual trust relations with stakeholders makes a significant contribution to meeting the Company's Sustainable Development objectives.

13. Accounting and Reporting

The integrity of financial reporting is crucial to ensure the proper management of the Company as well as fair and accurate financial disclosures. All financial transactions by the Company are always reported in accordance with generally accepted accounting practices, and accounting records show the nature of all transactions in a correct and non-misleading manner. CORINTH PIPEWORKS S.A. provides disclosure that is transparent, truthful, relevant, comprehensive and timely.

Both internal and external data acquisition, records, and reports must be truthful, correct, and complete. We expect our employees and officers who prepare accounting records to exercise the utmost care in all processes as well as to observe international standards. This particularly includes complying with generally accepted accounting principles.

14. Responsibility of Managers and Employees

It is the responsibility of CORINTH PIPEWORKS S.A. managers to communicate and demonstrate the content as well as the spirit of this document within their business units, and to encourage employees to reveal behaviour that may be non-compliant with these principles. Explicit or implicit approval of questionable actions will not be tolerated.

Special training courses for all employees are regularly offered on certain subjects (such as product liability, anti-trust, labour and employment, and environmental law) and in selected critical areas (such as sales and

purchasing).

Furthermore, the Code of Conduct is published and distributed to all employees, and posted on the intranet

and the company's website. The Code of Conduct is also incorporated into training in order to deepen its

understanding..

15. Reporting Irregularities

All employees have the right to draw their supervisor's attention to circumstances that appear to indicate a

violation of the Code of Business Conduct. Managers or members of the Board of Directors should consult

directly with the Audit Committee when such as indication appears. The above notification may also be made

anonymously in accordance with the relevant policies and procedures in place. Audit Committee receives all

reports related to violations of this Code. Persons reporting violations in good faith will not be subject to

retaliation. Reports shall be investigated and, where appropriate, remedial and enforcement action shall be

taken.

16. Monitoring and Code Amendments

Each operating unit is responsible for compliance with the provisions of this Code of Business Conduct, as well

as with other internal regulations within its area of responsibility. Internal Audit Function has the unrestricted

right to receive information and to conduct audits, unless legal stipulations or works agreements require

otherwise.

This Code of Conduct has been adopted by the Board of Directors of CORINTH PIPEWORKS S.A. and can only be

amended or waived by the Board. Any amendments or waivers shall be accordingly disclosed.
